New Home Builder Representation,

This note is to inform you I am happily represented by Anthony "Tony" Barker, Broker Premiere Home Realty Inc.

You are authorized to show me homes, lots, models and plans and if finding that home and lot will apply a earnest money payment to hold this property but will not discuss terms, price or incentives without Tony Barker being present.

By showing me property, you agree that I have a right to representation and a buyers commission of 3% minimum will be paid to the broker at closing and funding. Tony will complete any paperwork necessary to your company to get the contract and addenda completed fairly and honestly.
